Bringing down the house on blight

Southwest Indiana is getting a makeover one house at a time while abandoned and dilapidated houses are being razed from communities throughout the region. Click the link below to hear from Gibson, Warrick and Posey counties how this invaluable program is bringing help and hope to local neighborhoods.

Regional Cities Update - Evansville Regional Airport

One of 11 projects within the Regional Cities plan, the Evansville Regional Airport (EVV) is proceeding to update its terminal amid expanding flights to Orlando and Dallas-Ft.Worth. EVV's Airport Manager, Doug Joest comments on the project and what can be expected.

2017 CDBG Funding Opportunities

As it did in 2016, the Indiana Office of Community and Rural Affairs is going to have two funding rounds in 2017 for many of its Community Development Block Grant programs. While the formal funding schedule for 2017 has not yet been released, it is anticipated that the schedule will closely mimic the one utilized in 2016.

If your community has a project (drinking water, waste water, storm water, blight clearance, public facility, etc.) contact [Carol](#) or [Karen](#) with the Community Development team to find out about your opportunities for possibly securing a grant in 2017.

Business Feature

Deaconess Health System

[Deaconess Health System](#) is a non-profit, teaching organization that operates six hospitals in southern Indiana. In addition to general acute care facilities, we have a specific focus on Women's Service at the Deaconess Women's Hospital, and Cardiac Services at the Deaconess Heart Hospital. A seventh hospital dedicated specifically to Orthopedic and Neuroscience is scheduled to open in 2018. Our over 300 doctors provide care to patients in three states and 26 counties. Founded in 1892 by a group of Protestant ministers, Deaconess and its nearly 6,000 employees are celebrating its 125th anniversary as a locally owned and operated healthcare system in 2017.
