

INDIANA'S GREAT SOUTHWEST

the new frontier for talent & business

On the medical campus of the Stone Family Center for Health Sciences, Deaconess Health System broke ground on a new 100,000 square foot area that will house not only clinic and office space but include a new EXPRESS clinic. Within the building will be 10,000 square feet dedicated to the Regional Cities embedded research project driven by Indiana University School of Medicine - Evansville (IUSM). WATCH: Deaconess Health System CEO, Shawn McCoy speaks about the new Deaconess Clinic Downtown.

New CoWork Space Coming to Gibson County

[Gibson County Economic Development Corporation](#) is in construction phase of its new CoWorking space called The Hub 127. The project, which received approximately \$100,000 in Regional Cities funding, is scheduled to open in April 2019. For more info contact the Gibson County Economic Development Corporation office at 812.386.0002.

Need Recruiting Tools?

WATCH local musician, Monte Skelton talk about the exciting music culture in Evansville and Southwest Indiana and why it sounds better than ever.

E is for Everyone's got you covered!

E is for Everyone...it's in the air and on the side of buildings of companies embracing its message; and, it's not just for the City of Evansville. It's a welcoming brand for all of Indiana's Great Southwest to help attract talent to the region. Did you know that **your** company can use the videos and the FREE picture library to help with recruitment and the promotion of the region? And don't forget, your company can make it's own e! Be creative! Go to www.eisforeveryone.com to find out more. Have questions? email [Sabrina](#) and she will be happy to help.
